

KYOKUSHIN WORLD UNION

KWU - KAZAKHSTAN

Time to be united!

PROTOCOL

N-01-KZ 08.12.21

We are aware of the need to coordinate the efforts of Kyokushin organizations in Kazakhstan, regardless of their affiliation, to support and promote international athletes.

To achieve this goal, we are committed to hosting national competitions with the aim of selecting our top athletes to compete in the KWU World Championships, as well as in various national and international competitions. That is why we decided to create the Kyokushin World Union - Kazakhstan (KWU-Kazakhstan)

Our goal is to provide our athletes with the Kyokushin association throughout our country and give them the opportunity to become active participants in the Kyokushin World Union movement. For this reason, we have created the Kyokushin World Union - Kazakhstan (KWU-Kazakhstan), a national union that will represent common interests in international structures and in the Kyokushin World Union.

We know that throughout history, our variety of styles and origins have taken different approaches to the development of Kyokushin . In fact, today there are various international organizations of Kyokushin in the world and in Kazakhstan. Each has its own story that deserves respect. Based on the principle of mutual respect, we recognize a fully independent organization for all KWU members and recognize their right to develop their organization and their state in a form that they consider convenient, relying on the common goals and objectives of KWU Kazakhstan.

In this regard, we are committed to strengthening initiatives with a common will, with all members in equality, openness and a democratic nature in all procedures to achieve common goals such as:

- To spread Kyokushin in Kazakhstan;
- Organize and maintain a competition area called Kyokushin World Union – Kazakhstan;
- Adopt the competition rules of the Kyokushin World Union;
- Promote ties in national Kyokushin;
- Exchange of experience through the organization of camps, seminars, special trainings, meetings of various organizations / federations within the framework of a common national championship, cooperation at the national, regional or local level between Kyokushin clubs and sports events.

When making decisions that affect our overall performance, we commit to adhere to all Kyokushin World Union standards and guidelines.

We undertake to respect the views of all members of the Union and consider the views of each of them.
